www.platteriverhalf.com
Sunday, April 10th

- **Please read the following instructions thoroughly.** If you have additional questions please reference the race website, ask a volunteer at packet pick-up or on race day. We will respond to your e-mails as time allows as we are busy with race preparation.
- No transfers or refunds.
- With roughly 2,000 registered participants in the ½ marathon and relay we encourage all participants to pick-up your bib # and t-shirt at packet pick-up rather than waiting until race morning. The packet pick-up will be held on Friday, April 8th from 11:00 a.m. until 6:00 p.m. and on Saturday, April 9th from 9:00 a.m. until 4:00 p.m. at Runners Roost located at 1685 South Colorado Boulevard, Denver, CO 80222. If you pick-up your race packet on Friday or Saturday you can sign up to win a “Head to Toe” running package from ASICS and the Runners Roost, BolderBOULDER entries, entries to the 2017 Platte River Half Marathon and other great giveaways. Winners will be notified the week following the race.
- Your ID is not required for packet pick-up and you can pick-up a packet for a friend or family member.
- Bib instructions: You must wear your bib in front in order to be timed in the race. Official time used for overall race placement will be gun time (adjusted by wave). Net times will be provided for your information and will be used for age group awards. Competitive runners should plan accordingly at the start line. When you pick up your bib, please make sure that your personal information is correct. If you need to make changes, there will be sheets available where you can give us the new data or check online and email us back with any corrections. Race confirmation is on the website on the Race Information Page under Packet Pick-up and Race Confirmation.
- If you don't have your bib on during the race you will not be in the results.
- All ½ marathon runners are eligible for overall awards (these are based on gun time). Age group awards will be based on net times.
- The City of Littleton has been a grateful and receptive host for the race for 13 of the fourteen years the event has been held. Please be respectful of where you park, dispose of trash in the numerous trash barrels near the starting area and utilize the over 60 port-o-lets near the start.
- Race day packet pick-up will be available from 6:30 a.m. until 7:45 a.m. at the large red tent located in the northwest corner of the Littleton RTD parking lot on the corner of Alamo Ave. and Prince St. in Downtown Littleton. Allow extra time to park and pick up you race packet.
- Course Marshals will be in Lime Green T-Shirts.
- Use the RTD, City of Littleton and Arapahoe County parking lots free of charge in downtown Littleton. There are over 1,000 parking spots in these lots.
- Another parking option is to use Light Rail and train into the Starting Area. The Littleton/Mineral Station located at Mineral Avenue and Santa Fe Drive offers over 1,200 parking spaces and is a short, three minute ride to the Littleton/Downtown Station.
- **DO NOT PARK IN ARAPAHOE COMMUNITY COLLEGE (ACC) LOTS. YOUR VEHICLE MIGHT BE TICKETED OR TOWED.**
- A course map is on the Race Information page of the website under Course Map and Relay Exchange Points.
- Regardless of where you park, please do not leave valuables visible.

- Pre-race coffee and snacks can be purchased at Romancing the Bean, located at the entrance of the downtown Littleton Light Rail Station. They will be open from 6:30 a.m. to 8:30 a.m.
- There will be five starting waves:
 - Wave #1, expected finish time less than 1:50:00

 - Wave #5, expected finish time over 2:32:00
- Pace signs for the 2nd through 5th waves will be located in the starting area. Line up based on your expected overall ½ marathon pace. This will promote a consistent flow of runners as you enter the Little's Creek Trail at approximately 2 miles.
- Baggage Check-in will be near the Start. There will be a large white Ryder truck located in the RTD Bus Circle to the east of the start where you should drop your bag. Attach the baggage tag from the top of your bib to your bag. Bags will be taken to the finish line and sorted by bib number.
- Aid Stations will be approximately every two miles. There will be Vaseline, band-aids and a port-a-let at each aid station. Water will be offered first and then Nuun electrolyte replacement drink. Honey Stinger will be available at the 8 mile aid station.
- If you are unable to finish the race, go forward to the next aid station along the course. If you are seriously injured, 9-1-1 will be called. If not, you will be taken to the finish by an aid station volunteer after the last runner comes through that aid station.
